

Aqua Kids® is an award-winning series that educates young people about ecology, wildlife, science and how it all relates to them. Why is a horseshoe crab's blood blue? Why are sand dunes important? Why should we recycle? What can teenagers do to safeguard their planet's future? Co-hosts Drew and Jeremiah, along with their scientist friends, guide the Aqua Kids on fun and educational adventures all over the country, to learn how ecosystems connect and what young people can do to make a positive difference for the world they will inherit.

- **Half-hour weekly**
- **52 Weeks of Broadcast**
- **Barter Split: 3.5' National/ 3.5' Local**
