

DESIGNING SPACES

Designing Spaces™ is America's signature home improvement series that travels all over the country, remodeling, redefining and redesigning space.

The show educates and entertains viewers by bringing them innovative home improvements. Spanning the genres of decorating ideas, "do-it-yourself" projects and step-by-step home improvements, the mission of the show is to inspire viewers to make every space count and to provide solutions to enjoy the spaces where they live, work and play.

Filmed across the USA, each episode is built around themes from one of our Designing Spaces "Family of Spaces":

- **Designing Spaces™** – Room by Room Revivals, Smart/Safe Home Innovations
 - **Think Green™** – Plan it for Our Planet, Reduce, Reuse, Recycle
 - **Pet Spaces™** – Animal Adopt-A-Shelter Makeovers
 - **Kids Spaces™** – Children makeover rooms
- **Half-hour weekly** ● **52 Weeks of Broadcast** ● **Barter Split: 3.5' National/ 3.5' Local**
