Workforce is a half-hour series designed to help young people make educated decisions about their future careers. In each episode, four teens are catapulted into a job for one day to find out first hand what different careers are all about. With a good sense of humor and a healthy understanding of humility, these teens take on various jobs including zookeeper, plastic surgeon, private detective, city mayor, veterinarian, crane operator, farmer, web designer, juggler, butcher and everything in between.

Workforce is closed-captioned, and meets FCC standards for Educational/Informational (E/I) programming for ages 13-16. The Program carries the E/I icon throughout the broadcast.
