“Workforce”

This half-hour series is designed to help young people make educated decisions about their future careers. In each episode, four teens are catapulted into a job for one day to find out first hand what different careers are all about. With a good sense of humor and a healthy understanding of humility, these teens take on various jobs including zookeeper, plastic surgeon, private detective, city mayor, veterinarian, crane operator, farmer, web designer, juggler, butcher and everything in between.
