

Real Green !

A new weekly half-hour series that taps into growing audience interest in environmentally responsible building features that help to both protect the environment and save energy costs.

Real Green! gives viewers an up-close and personal view of how to become green in their daily lives—whether it be designing and building a new dream green home or learning the benefits of making their existing home more energy efficient.

Series includes environmental experts, celebrity guests and ordinary people showing how green living is practical and affordable!
