

Coffee with America is a weekly TV show that will bring you up to speed on what's brewing in news, social media and pop culture—without the caffeine crash. Fun, fast-paced and interactive, we're taking your favorite local coffee shop to the national stage. Consider us a new part of your daily grind. The best part? No rings on the coffee table!

Coffee with America is hosted by **Sasha Rionda**, a multilingual correspondent perhaps most recognized for hosting CNN International's *The Music Room*. She's interviewed top recording artists including Britney Spears, Usher and Moby.
