# missing

*MISSING* is a weekly half-hour reality series featuring actual cases of missing individuals, both adult and juvenile, from across the United States.

Assisted by local, state and federal law enforcement agencies, as well as The National Center for Missing and Exploited Children, each episode includes interviews with friends, family and investigators involved with the case. We visit the missing individual's last known whereabouts and provide viewers with all the relevant facts to increase public awareness in hopes of locating the missing person.

Every episode also contains an optional "doughnut hole" for local stations to insert their own missing persons case.
