

Generic Description:

The Dr. Nandi Show is a medical lifestyle program with a mission to improve the health of America and the world with compassion, empathy and integrity.

Each half-hour episode features Dr. Partha Nandi discussing health care, fitness, nutrition and lifestyle choices with top experts in their field. His tremendous ability to connect with others allows him to develop a bond between himself and his guests, his studio audience, the viewers at home and online. Dr. Nandi has an uncanny ability to make his fans feel like they are truly part of the “Nandi Family.” The show provides patients and their families solutions to better their lives. Dr. Nandi covers topics A – Z, whether it is prostate cancer, bullying, caring for the elderly or the choices in treating breast cancer. A practicing physician, Dr. Nandi truly enjoys teaching his family and friends ways to help them better their health and their lives, sharing his experiences and knowledge.
