

World Solitaire Championship 2026

One-hour special pitting 400 finalists from around the world in a high stakes competition to win the \$150,000 First Place Prize.

For decades, Solitaire has quietly lived in office cubicles, living rooms, and mobile screens around the world. The special transforms the traditionally solo pastime into a high-stakes, in-person esports competition with a \$300,000 total prize pool. The competition focuses on speed and skill-based scoring, ensuring players faced identical deck layouts to maintain fairness.
